

MATH 33A LECTURE 3
2ND MIDTERM

Please note: Show your work. Correct answers not accompanied by sufficient explanations will receive little or no credit. Please call one of the proctors if you have any questions about a problem. Use of calculators, computers, PDAs, cell phones, or other devices is not permitted during the exam. *If you have a question about the grading or believe that a problem has been graded incorrectly, you must bring it to the attention of your professor within 2 weeks of the exam.*

#1	#2	#3	#4	#5	Total
10	10	2	10	8	40

Your section meets (circle):	<u>Tuesday</u>	Thursday
TA (circle):	Ioannis Lagkas Nikolos	<u>Jaehoon Lee</u> Austin Christian
